MULTIPLE/SINGLE SUBJECT STUDENT TEACHING EQUIVALENCY APPLICATION

Note: Must be completed and returned to Placement Specialist or Field Experience Coordinator a minimum of 30 days prior to student teaching.

Candidate _____ Student ID _____

Multiple Subject Grade: _____ Single Subject Area: _____

Academic Center _____

Projected Student Teaching Dates _____

To be eligible for consideration to receive credit for half of their student teaching, candidates must complete:

- 1. Date of conferral of BA / BS degree _____
2. An evaluation of successful performance from the supervising administrator (see attached form). Attach copies of recent classroom observations completed by a site administrator.
3. A School or District contract AND letter on School/District letterhead from an administrator verifying previous teaching experience and noting the listed criteria below. This is required in order to support this application for Student Teaching Equivalency (one half of Student Teaching).
4. The minimum qualifications for student teaching equivalency eligibility:
- Candidate served as a teacher in a certificated position (not as a classified employee).
- Teaching experience was FULL TIME as the teacher of record. Substitute/part time experience does not qualify.
- The school where candidate taught is recognized by the California Department of Education
- Teaching experience must be current (within the last 5 years) and comply with SB-2042 standards.

Teaching Experience: K - 12 Full-time teaching experience for 1 full academic school year in the same general education classroom as the teacher of record.

School _____ Phone _____

District _____

Dates and time length of contract: _____

Match to grade level and credential area

- Multiple Subject OR
Single Subject Area: _____

School /District follows state curriculum standards (California Department of Education)

School /District employs teachers who hold a valid credential

I am requesting the above experience to be considered equivalent to one half of my Student Teaching. I understand that I must complete nine (9) weeks of successful student teaching. If student teaching is not completed successfully, I will need to complete additional student teaching time.
